

# **EAST MOUNTAIN NEIGHBORHOOD ASSOCIATION**

## **Minutes for June 21, 2023**

Attendees: 23

The meeting was called to order at 7:05 PM by President Mike Ptak. He then led the membership in the Pledge of Allegiance followed by a moment of silence for our departed neighbors and any sick neighbors.

Secretary report is online.  
Treasury report was given.

Neighborhood watch quiet.  
Neighborhood council quiet.

The Harry Northrop scholarship was awarded to Anthony Favale.

Mike thanked all who helped with the planting of the flowers at the park.

There is a petition for residents to sign regarding the noise in our neighborhood. When signed, Mike DiGiovancarlo will present it to the Board of Aldermen and the proper authorities. There is an old law on the books regarding noise that is obsolete (basically saying the noise decibels in our area is too low to be a problem). Looking to have a new law written to address the noise issue. By the way, this is a city wide issue since other neighborhoods are also complaining. But once again, call the police with any noise complaints.

Zoning will be going out to look at the lower part of East Mt. Rd. Too much dirt is being taken from the hillside next to the road. Could be a serious problem.

Ann's Deli catered our end of year dinner.

Applications will be needed for President of the association. Bob McGovern has agreed to fill the void for three (3) months. If you know of anyone, please let us know.

Meeting was adjourned at 7:30 PM

Safe and Happy Summer to All. See you in September!
