- Scams frauds are at their highest around the holidays – ex. Medicare scams, Postal texts saying your package cannot be delivered,
- Burglaries on the rise with packages being left outside on porches
- The Social Security Administration or the IRS will never contact you
- Single and/or lonely widows are targeted for relationships
- Pan Medical has purchased the land on Harper's Ferry Road and will build a Mini Gaylord
- Eversource needs to do some underground work before Peach Orchard Rd. can be paved
- Still an issue with students being picked up at Wendell Cross school-the traffic department needs to address the problem so the streets are not blocked
